

Formative Evaluation of Neo-Sphere

Ann Zimmerman
School of Information
University of Michigan
(currently in the air between
Chicago & Detroit)

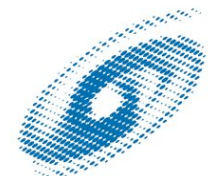

Neo-Sphere Evaluation

- ✓ Goal: To provide feedback regarding how Neo-sphere features and functions meet the needs of target users
- ✓ Activities
 - Interviews with a subset of potential users (spring 2007)
 - Survey of target user community (summer 2007)

Interviews

- ✓ Interview topics:
 - Nature of work
 - Colleagues and collaborators
 - Challenges
 - Technologies used
- ✓ 4 interviews to date

Survey of Target Neo-Sphere Users

- ✓ Informed by interviews
- ✓ Similarities and differences in the needs and motivations of different types of users
- ✓ Result: Combined report from interviews and survey
